

## Bioinformatics and Systems Biology Graduate Program

2022-23 Projected Course Offerings - Updated May 19, 2022

*Please note: Departments may change or cancel the quarter(s) in which their courses are offered.  
Refer to the schedule of classes for an active listing. The next quarter's schedule is usually posted Friday of 5<sup>th</sup> week.*

*Patterns of typical quarters and alternating years are subject to change. Don't rely on them for future years.*

*Projected schedules for departments/classes not yet available are highlighted in pink.  
Wait for the schedule of classes or contact the department or instructor for info.*
